PHINDA ZUKA LODGE

Phinda Private Game Reserve

SOUTH AFRICA

&Beyond Phinda Private Game Reserve encompasses an impressive 28 555 hectares (70 560 acres) of protected wildlife land in KwaZulu-Natal, South Africa. Showcasing one of the continent's finest game viewing experiences, &Beyond Phinda is home to Africa's Big Five (lion, leopard, elephant, buffalo and rhino), as well as 436 bird species. The reserve is particularly well known for close-up sightings of the elegant yet elusive cheetah, as well as the rare black rhino.

With its seven distinct habitats, Phinda is often described as 'Seven Worlds of Wonder', a magnificent tapestry of woodland, grassland, wetland and forest, interspersed with mountain ranges, rivers, marshes and pans. Home to 1 000 hectares of Africa's remaining rare dry sand forest, the reserve is situated in close proximity to the unspoiled beaches and spectacular coral reefs of the Indian Ocean, offering an unmatched combination of bush and beach adventures.

Guests at Phinda experience unforgettable interpretive game drives in open 4x4 safari vehicles, led by professionally trained &Beyond rangers and Zulu trackers, as well as a wide range of optional adventures in the bush and on the beach.

Phinda is home to six magnificent lodges, each with its own individual charm and character: Mountain Lodge, Rock Lodge, Forest Lodge, Vlei Lodge, Zuka Lodge and Phinda Homestead.

"Our trip to Phinda was amazing. The experience was something altogether different and much more than we could have imagined. Our driver and tracker were fantastic! They were knowledgeable, personable and also were conscious of letting us experience the sounds and animals without talking at certain moments. They took us to the most amazing sunset spot and I could not have imagined it getting any better. But it did. We came back to a seven-course dinner set up outside for us. I cannot say enough how happy we were with everyone at the lodge."
